

In the last 26 years of the Business Excellence (BE) initiative, over 2,000 organisations were recognised and attained the BE Awards and Certifications. Many leveraged this internationally benchmarked BE Framework to strengthen business fundamentals and have achieved robust standards in their management practices.

Following consultation with key stakeholders, it was concluded that the BE initiative has achieved its intended purpose and will be discontinued with effect from 30 September 2020.

All BE certified organisations may continue to use the SQC logo during the 3 years validity period or 4 years validity period for the SQC Star logo, as listed in the tables below.

Thank you.
