

# MIND THE GAP

## Safe Management Measures for Food & Beverage and Online Retail Delivery (Updated: 17 May 2021)

Delivery personnel must wear masks at all times during their work

Delivery personnel must minimise contact and interactions with others at all times

Delivery personnel must not cluster together when collecting food or taking breaks

No more than 2 persons per group

Delivery personnel are to use TraceTogether mobile app or Token for SafeEntry check-in

Delivery personnel are not to mix personal items with food that is to be delivered

Delivery personnel to pick-up orders from premises only when they are ready

Establishments to assign designated area for contactless pick-up by delivery personnel

For bulky items, delivery personnel to leave once the item is placed in the premise
