

MIND THE GAP

Safe Management Measures at Dine-in F&B Establishments

**Limit each table/group
with at least 1m spacing between groups**

Distance measured between every group or person,
and between the backs or legs of chairs used by diners

**No intermingling
between groups**

**No sale and consumption
of alcohol after 10.30pm**

**No singing or
any public entertainment**
(e.g. live music,
TV/video screenings, karaoke, gaming)

**Government agencies will step up enforcement on F&B establishments and
take firm action against any breaches.**
