MIND THE GAP

Safe Distancing Measures for Consumers at Food & Beverage Establishments

Wear mask at all times when not eating or drinking

Allow staff to take your temperature

Scan QR code or allow staff to scan your ID for contact tracing

Keep at least 1m away from other people

Make reservations and pre-order in advance when dining in

Use contactless payment whenever possible

Limit group dining to 5 persons or fewer

Avoid crowds. Dine during off-peak hours when possible
