MIND THE GAP

Safe Distancing Measures for Consumers at Food & Beverage Establishments

- Wear mask at all times when not eating or drinking
- Allow staff to take your temperature
- Scan QR code or allow staff to scan your ID for contact tracing
- Make reservations and pre-order in advance when dining in
- Use contactless payment whenever possible
- Keep at least 1m away from other people
- Limit group dining to 5 persons or fewer
- No intermingling between groups
- Avoid crowds. Dine during off-peak hours when possible
