

Enhanced Enterprise Financing Scheme Project Loans (EFS-PL)

Frequently Asked Questions

1. What is the objective of the Enhanced EFS-PL? What are the enhancements?

The EFS-PL aims to support enterprises in their internationalisation efforts by assisting them in financing the fulfilment of their overseas projects.

In view of the challenges faced by the construction sector, as announced on 12 Oct 2020, the EFS-PL will be enhanced to extend support to construction companies to finance the fulfilment of secured domestic projects, from 1 Jan 2021 to 31 Mar 2022. The Government will provide risk-share for loans made by Participating Financial Institutions (PFIs) to finance the fulfilment of secured domestic projects. The risk-share support extended to PFIs will be at 50%, with the risk-share increasing to 70% for young companies. The maximum loan quantum is S\$30 million.

- ii) At least 30% local equity held directly or indirectly by Singaporean (s) and/or Singaporean PR; and
- iii) A maximum borrower group revenue cap of S\$500mil
- iv) Enterprise has to fall under one of the construction SSIC codes (i.e. SSIC code must begin with 41, 42 or 43).

For the loan to be supported under Enhanced EFS-PL, these additional criteria are required:

4. Can enterprises apply for the Enhanced EFS-PL multiple times with different PFIs?

Yes, enterprises can approach different PFIs to apply. However, the total aggregate amount borrowed under the scheme from different PFIs is capped at the maximum amount of S\$30 million.

5. Besides the Enhanced EFS-PL, can enterprises apply for the Temporary Bridging Loan Programme (TBLP) Loan, Enhanced Enterprise Financing Scheme Trade Loan (Enhanced EFS-TL) and other EFS loans at the same time?

Enterprises can apply for all the schemes if they meet the criteria for each scheme, subject to assessment by PFIs.

6. *PFI*s are not willing to approve my company's loan application even though it is eligible for the Enhanced EFS-PL. What can I do?

All eligible enterprises applying for the Enhanced EFS-PL are subject to assessment by PFIs.

Enterprises which require further support may approach Enterprise Singapore at (65) 6898 1800 or enquiry@enterprisesg.gov.sg for assistance.

7. *Since Enterprise Singapore provides 50%/70% risk shares on the loan, does it mean that the borrower/guarantors are only responsible for the remaining percentage of the loan?*

No. The borrower and guarantors are responsible to repay 100% of the loan amount. When defaults occur, PFIs are obligated to follow their standard commercial recovery procedure, including the realisation of security, before they can make a claim against Enterprise Singapore for the unrecovered amount in proportion to risk-share.
