## **CHOCOELF Chocolates**

CHOCOELF is a homegrown Singapore chocolate brand built on a simple belief: great chocolate can be joyful, wholesome, and uniquely Singaporean. Founded by a team of chocolate lovers and guided by the creativity of a chocolatier-doctor duo, CHOCOELF blends traditional chocolate craft with flavours inspired by the heritage, diversity, and playfulness of Singapore.

Known for our creative chocolates and no-sugar-added delights, CHOCOELF creates treats that are kinder to the body without compromising on taste. From local-inspired flavours to elegant gifting collections, each creation reflects our passion for craftsmanship and innovation.

Beyond chocolates, our flagship café in Chinatown is a space where imagination comes alive — a place to savour desserts, discover new flavours, and enjoy the magic of our signature chocolate elves.

Today, CHOCOELF continues to craft chocolates that surprise, comfort, and delight — sharing Singapore's flavours with the world, one bar at a time.
