

F & G Food Pte Ltd

“Trusted Meat Wholesale Supplier”

F & G Food Pte Ltd is a Singapore-based manufacturer and distributor of high-quality food products, recognized internationally for our commitment to **quality, innovation, and food safety**. With decades of experience serving local and regional markets, we are expanding globally to deliver **premium food solutions** to **hotels, restaurants, retailers, and foodservice partners** worldwide.

Our **extensive product portfolio** caters to **professional kitchens** and **commercial operations**, offering a diverse range of options that meet international culinary standards.

Our product range includes:

- **Chinese & Western sausages** crafted with traditional methods and carefully selected ingredients
- **Canned foods** offering convenience without compromising taste or nutritional value
- **Frozen, chilled & fresh meats**, available whole or pre-cut to suit diverse menu requirements
- **Ready-to-eat meals** featuring roasted, stewed and braised meats for consistent quality and operational efficiency
- **Savory snacks & waxed meats**, blending traditional flavours with modern culinary trends

A key strength of F & G Food is our ability to provide **customized food solutions**. We collaborate closely with international clients to adjust **product specifications, portion sizes, and packaging**, or develop **new products** tailored to specific markets. This flexibility ensures our offerings meet diverse culinary practices and evolving consumer preferences worldwide.

Our operations are supported by a robust **food safety management system**. We are **ISO 22000 certified**, and our **FSSC certification is in progress**, reflecting our commitment to **global food safety standards** and **continuous improvement**.

We proudly supply a wide range of international clients, including **hotels, restaurant groups, caterers, and retail partners**. Our **reliability, consistent product quality, and service-oriented approach** have helped us build **long-term relationships** across borders.
