Spice Up Your Taste

The love for savory and healthy fresh durian founded Savor 鲜味. Made from 100% Musang King or D24 durian flesh in our mouth-watering durian products such as durian cakes and other durian-flavoured confectionery food products, bringing out the most premium and authentic durian tastes. Our passion never stops; continuously we came up with more durian and other fresh fruits innovations, bringing health, creativity and new excitement to satisfy local palates.

From a solid brick and mortar business to online presence, gradually we evolved from B2C to B2B business model by collaborating with prestigious local and overseas organizations. Fast expansion to worldwide distribution of fresh fruits and various commodity products, with continuation on health focused products, Savor new launched series of flavoring products containing Euglena, an algae from Japan that can boost immune system, has many nutritional benefits while increasing the cooking taste of food.

Savor the moment, enjoy the most healthy and premium products with Savor 鲜味!
