<b>Anthill Ventures</b>	“At the outset, Anthill Ventures is thrilled to partner Enterprise Singapore and be part of the Global Innovation Alliance (GIA) network to scale technology startups. We are also partnering BRIDGE+, tapping their world-class amenities in co-working spaces and excellent support to be a strong enabler for startups, under the GIA Acceleration Programme offered by Anthill Ventures. We look forward to these partnerships and add more value to various stakeholders in the startup ecosystem,” said Mr Prasad Vanga, CEO and Founder, Anthill Ventures.
<b>The Indus Entrepreneurs Global (TiE Global)</b>	“The strategic collaboration between TiE Global and Enterprise Singapore would further strengthen the bridge between India and Singapore’s startup ecosystems, which today are among the most vibrant in the world. We look forward to collaborating and connecting Singapore startups into India’s ecosystem,” said Mr Puneet Pushkarna, Board of Trustees - TiE Global.
<b>YourStory</b>	“We are thrilled to partner with Enterprise Singapore and bring to our readers truly inspiring stories from Singapore's startup ecosystem. These stories will bridge the two innovation hubs together, and bring awareness to startups, corporate accelerators, and investors on various business and collaborative opportunities. While we showcase and celebrate some of these journeys across the borders, we would also actively participate in shaping many of these journeys. This is the start of an exciting new chapter for cross border partnerships that will help startups from India and Singapore tap into each other's vibrant ecosystems,” said Ms Shradha Sharma, Founder and CEO at YourStory Media.
<b>Bridge+</b>	“Bridge+ is an extension of our community development initiative, a key differentiator for our business parks. It was conceived as a response to meet the modern flexible workspace requirements and support the growth of the thriving technology and business tribes that exist in our IT parks. We are proud to be partnering with Anthill Ventures, to offer a platform to bring together entrepreneurs from Singapore and Bangalore to collaborate, innovate and build the technology corridor between the two tech hubs, as part the Global Innovation Alliance network,” said Mr Vinamra Srivastava, CEO Business Parks, CapitaLand India.
