

Gold Kili Trading Enterprise (Singapore) Pte Ltd

Just Gold Kili and Water

Gold Kili began in 1985 as a manufacturer and distributor for local coffee powder. Over the years, the company has been tirelessly developing an extensive range of innovative instant beverages that are not only of the utmost quality, but also novel and enticing to consumers. Apart from its traditional instant coffee and teas, it has progressively developed a great selection of premium coffee in filter bags, teas, cereals, and its ever-popular Instant Honey Ginger Drinks and other Asian herbal beverages series. Putting consumer as our top priority in all our product development and staying relevant to the diverse needs of consumer in different markets, Gold Kili has in recent years launched a series of premium lifestyle beverage range well-liked by young consumers who enjoys moments of indulgence. The most recent addition will be the dairy-free, vegan-friendly and plant-based “Oat-k” oat milk series that comes with 4 choices – Oat Coffee, Oat Tea, Oat Matcha and Oat Chocolate.

The successful growth of the company over the years have been possible with Gold Kili continuous investments in proprietary, hygienic and modern manufacturing process to preserve the taste and flavour of the natural ingredients used. Besides, Gold Kili insists on stringent quality control at every stage of the manufacturing process. Consistency, reliability and an impressive array of delectable instant beverages sets the company a notch above the rest.
