

Leong Guan Food Manufacturer Pte Ltd

Professional Noodle Manufacturer in Singapore

Leong Guan Food Manufacturer is a professional noodle manufacturer in Singapore specialising in various kinds of noodles. Established in 1996 as a noodle supplier, the company was formed to cater to the needs of noodle-lovers and has grown rapidly over the years.

Leong Guan's noodle manufacturing factory was set up in 2006, making it one of the pioneers in being a fully machine-operated manufacturer in Singapore. Through years of hard work and constant improvements, it has achieved ISO 22000 and Halal certifications.

Leong Guan takes great pleasure in being one of the first few noodle manufacturers to be successfully chosen to produce Healthier Choice Wholegrain Noodles certified by the Health Promotion Board in 2017.

Leong Guan's popular healthier choice noodles are: Wholegrain Noodles, Wholegrain Mee Tai Bak, Wholegrain Kway Teow, Wholegrain Mee Kia, Wholegrain Mee Pok, etc.

Since its founding in 1996, it has developed an in-depth understanding of the various tastes and preferences of its customers.

It also provides OEM services to several organisations which require specific types of noodles that may not be acquired easily in Singapore.

Leong Guan's vision is to become Asia's trusted partner of exceptional quality noodles and food products – defined by its mission of creating lasting partnerships through good food, service and people.
