Snacking The Asian Way

Drawing from a deep-rooted passion and commitment to provide its customers with the best food snacks, Seawaves Frozen Food has successfully weaved its attentive customer-centric approach into an exceptional array of deliciously snacks that has captured the hearts, minds and taste buds of loyal Seawaves fans across the globe. From Cuttlefish balls and Prawn balls to Korean dumplings, samosas and spring rolls, every Seawaves product is testament to why this delightful range is regularly the snack of choice for many Asian households.

First established in 1982 from humble origins manufacturing cuttlefish balls, Seawaves Frozen Food has grown over the years, to establish itself as one of the leading food manufacturers and distributors in Singapore today. For all its success, the company's mission is founded on the simplest of beliefs - that only the best ingredients can bring out the best flavor and true potential of any food product.

Keeping in mind of the core prerogative, to always use raw materials of the best quality. Not only to ensure food safety but also to maintain consistency. Seawaves has continuously developed products of outstanding quality and taste across the last four decades, striving to expand existing consumer base. Through understanding changing preferences and taste profiles consequently, Seawaves look to improve existing products and innovate to bring about surprisingly good new flavors. Today, more fusion items can be found in the expanding range, among them finger foods like cheese-infused cuttlefish ball as well as the newly added encrusted line which consist of the cheezy swirl and lava laksa.

With this driving philosophy behind Seawaves strive for excellence, Seawaves ensure that it's wide range of frozen finger foods caters for practically every discerning taste and occasion. The more popular options include varieties of cuttlefish balls, Korean dumplings, fried chicken, savory and sweet pastries and a good selection of frozen meats and seafood products. In addition to its variety and taste, it is this attention to quality that has gained Seawaves products many loyal customers, not just in Singapore and the rest of Asia, but as far away as the USA and Australia.
