Award-Winning Fun and Quirky Ice Cream Café

Udders Ice Cream is an award-winning fun and quirky ice cream café, offering unique flavours of ice cream with a big dose of cheeky humour. Udders prides itself on a whole range of tempting flavours, such as The Mao™, made from the infamously pungent Mao Shan Wang durian fruit, and strong liquor flavours, like Rum Rum Raisin™ (3.9% alcohol) and Tira-miss-u™ (3.8% alcohol using Brandy).

Founded in 2007, Udders now serves more than 100 retail points throughout Singapore, including supermarkets, convenience stores, and iconic local attractions such as Gardens by the Bay. The proudly Singaporean brand can even be found on board Scoot flights!

Being experts of the ice cream scene, Udders has customised flavours for restaurants such as Tung Lok Group of Restaurants, and is the creator of the exclusive Istana Harvest Sorbet for the Istana. Udders is also an official Disney licensee, customising ice cream flavours inspired by beloved Disney characters.
